Texts and Information for our Course:

REQUIRED TEXT & OTHER MATERIALS

1). Frederick M. Denny, *An Introduction to Islam*, 4th edition Upper Saddle River, NJ, Prentice Hall, 2011, ISBN: 978-0-13-814477-7 – pbk. (It is important to get the 4th edition and not an earlier edition.)

2). Norman Calder, Jawid Mojaddedi & Andrew Rippin, eds., *CLASSICAL ISLAM: A Sourcebook of Religious Literature*, 2nd edition, New York: Routledge, 2013, ISBN: 978-0-415-50508 - 6 pbk.

3). There will be Additional Readings from other texts listed on this Course Outline that will be sent as a pdf via our Class e-mail List and/or on our CANVAS Course Site, when set up. I will let the class know when the CANVAS Site is up & running

4). On and off campus events related to Islam will be announced in class, posted on the CANVAS site and sent via our e-mail list site.

5). Study Question to help with your reading of the Course material will be sent by e-mail and posted on our CANVAS Course Site when it is ready.

6). **The code for the final exam is: _____** – the day & time will be posted as soon as we have it.

Missed quizzes, the Mid-Term and or the Final Exam can be made up only with a doctor's note, a UF approved activity such as a sports team event in which you are a participant, or the band or the choir, or a court appearance, job interview, etc., or a genuine emergency to be determined by the instructor and teaching assistant. If you know of a conflict before hand, please inform us so that arrangements can be made for you to take the Quiz, and/or Mid-Term before - hand or if necessary take a make-up Quiz. A Make-Up for the Final Exam is much more difficult. I also hate to schedule it early but will consider only if there is a real emergency

7). Those interested in purchasing a Qur'an should select: Abdullah Yusuf 'Ali's *The Meaning of THE HOLY QUR'AN*, (New Edition with Revised Translation, Commentary and Newly Compiled Comprehensive Index), Beltsville, Md.; Amana Publications, 2001. I however recommend using one of the numerous Qur'an sites on the internet instead of buying a hard copy. At those sites you can not only read the English translations and transliteration, you also see (read) the Arabic and hear it recited in both Arabic & English. There are also teaching tools on line for those who want to learn *surahs* (chapters) of the Qur'an. Plus, these sites enable you to download the Qur'an to your IPAD, IPHONE, KINDLE or similar devices. You can begin your on-line explorations of the Qur'an at: <http://www.quranexplorer.com/>.
